

JOURNALIST

What do you do

You do your best

Your job will be to find an interesting news story and report on it to the class.

It is up to you, what you decide to report on, but it must be relevant, interesting and something that is

currently in the news.

The news story can be local, national or international.

The hardest part is not to have your own opinion.

OCTOBER, 2016

What you need to include

Use a newspaper template for your article. (Check out Microsoft Word templates)

You need to have three separate sources and you need to reference them.

Also

You will present your news story to the class and post it on your blog

Proof read all your work and practice presenting it.

“If there's anything that's important to a reporter, it is integrity. It is credibility.”
(Mike Wallace)

What is a Journalist?

A journalist is someone who reports on a news story.
